Job Connect

For job seekers ...

Job Connect offers the following services to help you plan, prepare for, and succeed in Ontario's job market:

Information and Resource Service –

Information on careers, the local labour market and training opportunities (including apprenticeship training), and help developing job search skills.

Employment Planning and Preparation –

Help with identifying your short- and long-term goals, developing an action plan, and searching for a job.

Job Development and Placement Support –

Help with developing your skills and gaining work experience in a job placement.

Summer Jobs – Help for young people looking for summer jobs.

For employers ...

Good hiring decisions are good for business. If you operate a business in Ontario, let Job Connect help you meet your staffing needs:

Recruiting Services – Job Connect staff will recruit and assess applicants and make sure only qualified candidates get sent your way.

Free Job-Posting Service – You can advertise your openings through the Information and Resource Service.

Training Incentives – You may be eligible for funding to offset some of your employee training costs.
