EOIS Reports Release 5.2

The purpose of this bulletin is to provide Employment Ontario (EO) service provider organizations with an update on the reports currently available on the EOIS Service Provider Reporting Website.

Reports Release 5.2

On October 5th, 2015, Release 5.2 of EOIS Reports launched successfully to both providers and ministry staff. A small number of enhancements were made to existing reports, as well as the launch of new reports. The following list is a synopsis of the modifications, as well as new reports:

Employment Ontario Self Service (EOSS)

EOSS Activity Report (#43)

- Updated to support the introduction of Youth Job Connection and LBS E-Channel

Literacy and Basic Skills (LBS)

LBS Case Activity Report (#61)

- Updated to include closed cases from the previous fiscal year to allow for all follow-up outcome information to filter into the report. As a result, carryover totals displayed at the top of Report (#61) will be higher than those displayed on the LBS DSQ Report (#64).
- Updated to support the GAINS changes and E-Channel flag within EOIS-CaMS.

Canada-Ontario Job Grant (COJG)

COJG Employer Case Activity Report (#91)

- Updated to support the introduction of the COJG Pilots: Upskills and Customized Training

COJG – Trainee Case Activity (#92)

- Shows COJG case participant activity and expenditures for the previous and current fiscal year.

COJG Employer Agreement Report (#93)

- Updated to include a validation column which will list simple financial validation errors (e.g., Exceeding the \$2500 In Kind Contribution limit).

Employment Ontario Information System (EOIS) Reports Bulletin

- Updated to support the introduction of COJG Pilots: Upskills and Customized Training

COJG – Placement Employers (#95)

- Shows COJG employers, associated placements and expenditures for the fiscal year grouped by employer.

Targeted Initiative for Older Workers (TIOW)

TIOW Case Activity Report (#101)

- Updated to support the TIOW-specific changes within EOIS-CaMS related to “Supports for Individuals”
- Updated to align with follow-up information captured within EOIS-CaMS

TIOW Program Activity Report (#104)

- Updated to support the TIOW-specific changes within EOIS-CaMS related to “Supports for Individuals”

Youth Job Connection (YJC)

YJC Case Activity (#111)

- Shows YJC case status, profile, outcomes for individual clients. Includes a summary of case status by case owner.

Data Definitions

- Updated to include information for COJG, TIOW and YJC.

Note: A report filter has been added to the EOIS Service Provider Reporting Website for Youth Job Connection.

Reporting Resource Supports

Detailed Reporting User Guides relating to the new and revised reports are published to the Employment Ontario Partners’ Gateway (EOPG) under the “[Guides and Resources](#)” section. We suggest you take the time to review these guides which provide further explanations on the specific data collected. A revised EOIS Report Summary Desk Aid for Release 5.2 has also been published highlighting the new and revised reports.
