

December 21, 2009

Dear Employment Ontario Partner,

I am writing to update you on minor modifications that have been made to the Second Career guidelines. The hourly tuition maximum has been revised for the following classifications of programs:

- **Heavy Equipment Operator related programs - \$55.00 per hour;**
- **Truck Driver related programs - \$40.00 per hour; and**
- **Welding related programs - \$25.00 per hour.**

The maximum MTCU support for these programs will remain at \$10,000. Amounts in addition to this must be paid by the client.

Please visit the Employment Ontario Partners' Gateway at <http://www.eopg.ca/eng/index.html> for complete details about the modifications. If you have any other questions, please contact your local ministry office.

Sincerely,

Original signed by

Laurie LeBlanc
Assistant Deputy Minister
Employment and Training Division
