

## Employment Ontario Information System (EOIS) Case Management System (CaMS) Bulletin

### **EOIS-CaMS Release 6.3 - Reporting**

The purpose of this bulletin is to provide Employment Ontario service provider organizations with an update on EOIS-CaMS Release 6.3 - Reporting and the related resources.

The ministry is pleased to announce that new reports for Release 6.3 of EOIS-CaMS were launched to all service providers and ministry staff on January 23, 2017.

The following items are the key enhancements introduced with EOIS-CaMS Release 6.3 - Reporting. For detailed instructions regarding the enhancements, service providers are encouraged to review the updated “Detailed Reporting User Guides.”

### **EOIS Reports**

New reports have been released for both Youth Job Connection Summer (YJCS) and Youth Job Link (YJL). Please refer to the “EOIS Reports Summary Desk Aid” for the first run date of these reports.

- Report 120C – YJCS – All Data – Placements/Employers
- Report 130C – YJL – All Data – Employer/Incentivized Job Matches
- Report 132 – YJL – Employers

The following EOIS-CaMS related system issues have been resolved:

- The YJC reviews will now display the correct program specific outcomes and will no longer require a workaround to complete.
- A global database cleanup was performed to ensure that only valid National Occupational Codes (NOCs) will be accepted by the system.

### **Release 6.3 Resources**

To support Release 6.3, the ministry is updating resources to aid service providers with the changes. The “Detailed Reporting User Guides” will be updated to incorporate the changes implemented by the new release. The guides will be available under the “[Guides and Resources](#)” section of EOIS-CaMS on the Employment Ontario Partners’ Gateway (EOPG).

Thank you for your patience during the roll-out of EOIS-CaMS Release 6.3. Service provider feedback has and will continue to assist the ministry with system enhancements. Please direct any Release 6.3 questions or concerns to your ministry regional office.

Thank you.
