As a follow up to our last memo to Employment Ontario service providers dated May 31, 2016 and posted to the Employment Ontario Partners' Gateway on June 15, 2016, we are happy to share the list of participants that will form the EOIS External Reference Group.

With over 175 submissions, we would like to sincerely thank everyone who expressed an interest in participating. The applications identified some themes for further exploration, including:

- Reduced volume of required inputs and more automation
- Enhanced navigation and printing functions
- Improved report functionality
- Specialized support for EOIS.

A kick-off meeting is scheduled for October 5 in Toronto. We look forward to sharing further updates as they become available.

Thank you.
