Dear Employment Ontario Partners,

As you are aware, business planning activities are underway. The ministry has been authorized to issue Employment Ontario program agreements for 2019-2020. We will share more information and release agreements in the coming weeks.

The government has made jobs a priority and has committed to making Ontario's employment and training services more efficient, cost-effective and results-focused. We will take steps to improve performance outcomes and increase accountability of all organizations within the Employment Ontario network.

The ministry remains committed to delivering the highest quality employment and training services for the people of Ontario, and ensuring clients and communities receive the services they need.

Thank you for your patience and for your ongoing work to support job seekers and employers through the Employment Ontario network.

Sincerely,

Original Signed by

David Carter-Whitney
Assistant Deputy Minister
