

Global Experience Ontario

LICENSING IN ONTARIO'S REGULATED PROFESSIONS

Introductory Workshop for Employment and Settlement Service Providers

This workshop provides an introduction to the licensing process in Ontario's regulated non-health professions for internationally trained individuals. It is ideally suited for employment and settlement service providers with limited experience working with clients in the regulated professions as well as in skilled trades.

Professions covered include accounting, architecture, early childhood education, engineering, engineering technology, law, social work, teaching and the skilled trades.

This workshop helps participants:

- Understand the system of regulated professions in Ontario
- Guide clients through the licensing process for their profession
- Advise clients on related occupations and alternative career pathways
- Refer clients to appropriate support programs and resources

Upcoming Workshop:

- Date: Thursday, September 27, 2018, 9:30 AM – 12:30 PM (please arrive at 9:00 AM)

Venue: **Ontario Investment and Trade Centre**

250 Yonge Street, 35th Floor, Collaboration Room in Toronto)

To Register: Please [click on this link to complete the online registration form](#).

Please register early as space is limited. If you have any questions, please contact GEO by phone at 416-327-9694 or by email at geo.training@ontario.ca.

(This workshop will be delivered in English only. If you require a French interpreter for this workshop, please let us know two weeks prior to the date of the workshop.)

Global Experience Ontario (GEO) is an information centre that guides internationally trained individuals and newcomers through the process of becoming certified or licensed to work in one of Ontario's non-health regulated professions or skilled trades.
