

MEMORANDUM TO: Youth Job Connection Network

FROM: Teresa Damaso, Director
Program Delivery Support Branch

Sandra Di Prospero, Director
Organizational and Business Excellence Branch

DATE: September 17, 2015

SUBJECT: Youth Job Connection (YJC) Training for Service Providers

MEMO #: YJC 2015-16 #01

The purpose of this bulletin is to advise the YJC Service Provider Network of the YJC training approach the Ministry of Training Colleges and Universities (MTCU) has underway in order to prepare you for an October 2015 launch.

WHAT IS HAPPENING:

Over the next couple of weeks, all service providers will receive an invitation to attend a one day in-class training session that will be held between September 22 and October 15, 2015. As part of your YJC learning experience, MTCU has developed two online training sessions that you are required to complete prior to attending your classroom session. These will be available this week on the EOPG.

The *ETD-129 YJC Overview Video* will provide you with foundational knowledge of what the YJC program is about.

ETD-131 YJC In-depth Guidelines eLearning is a follow-up to the Overview Video that, in conjunction with reading the YJC Guidelines, will provide service providers with a much deeper and comprehensive understanding of each component of the YJC program and its delivery model.

NEXT STEPS:

The *ETD-132 Making YJC Work* in-class session is designed to be an engaging discussion & case-based learning workshop that is based on the foundational knowledge gained by completing the pre-requisite eLearning, as well as a comprehensive reading of the YJC Guidelines. Please be sure to allocate time to complete these pre-requisites prior to the in-class session.

If your organization has any questions regarding this training, please contact your local MTCU office.
