\* Note:

1. Graduation Rates indicated for KPI Reporting Year
2. Commencing 2000-01, Graduation Rates are based on tracking individual students, where, for example, the 2011-12 KPI Graduation Rate is based on students who started one-year programs in 2009-10, two-year programs in 2007-08 three-year programs in 2005-06 and four-year programs in 2004-05, and who had graduated by 2010-11.
3. KPI Graduation Rates include changes resulting from the KPI Review and Adjustment process (where required).
