For a detailed explanation of the contravention see attached Schedule A.

[2] As per section 51 of *Ontario Regulation 415/06* made under the *Private Career Colleges Act, 2005*, the Business is subject to a penalty in the total amount of \$1,000 per day. It is important to note that the penalty is levied daily. The total penalty amount is calculated by multiplying the penalty amount indicated above by the number of successive days that the contravention continues.

For example: following 5 successive days that the contravention continues the penalty amount due will be \$5,000.

following 15 successive days that the contravention continues the penalty amount due will be \$15,000.

[3] At this time you are required to provide the Ministry with written confirmation of compliance with the *Private Career Colleges Act, 2005* and its regulations. Please supply the Ministry with the following documents confirming that you have come into compliance with the Act:

1. Written confirmation, together with screen shots of the Business's website, that the Business has stopped advertising an unregistered private career college and unapproved vocational programs that require approval.

Once you have confirmed compliance with the Act, the penalties will cease to accumulate and you will receive an invoice that sets out the total penalty outstanding. Payment of the full amount is due within **30 days** of the date of your notification.

[4] If payment is not received within **30 days** after the date the notice of contravention was received, the amount will be subject to interest at the current postjudgment interest rate beginning on the 31st day following the date of notice. The current rate can be found at the following address:
