NOTICE OF CONTRAVENTION

This letter is to inform you [REDACTED] as the Director of Education Canada Career College Inc. known as Education Canada College (Education Canada College) that on July 26, 2010, it was determined that (Education Canada College) contravened the following section(s) of the *Private Career Colleges Act, 2005* and/or regulations made under the Act:

- Act, s. 11 — Restrictions on advertising and soliciting (\$1,000)

This notice amends the Notice of Contravention #86 issued on July 26, 2010 by identifying [REDACTED] as the director of Education Canada College. New evidence indicates that the contraventions were committed by the above mentioned corporation in Quebec and not the director of the Ontario corporation of the same name.

For a Summary of each contravention see attached Schedule A.

As per section 51 of *Ontario Regulation 415/06* made under the *Private Career Colleges Act, 2005*, Education Canada College is subject to a penalty in the total amount of \$1,000 per day. It is important to note that the penalty is levied daily. The total penalty amount is calculated by multiplying the penalty amount indicated above by the number of successive days that the contravention continues.

For example: following 5 successive days that the contravention continues the penalty amount due will be \$5,000.

following 15 successive days that the contravention continues the penalty amount due will be \$15,000.

At this time you are required to provide the ministry with written confirmation of compliance with the *Private Career Colleges Act, 2005* and its regulations. Specifically, written confirmation that Education Canada College:

- has stopped advertising an unregistered Private Career College and unapproved vocational programs that require approval.

Once you have confirmed compliance with the Act, the penalties will cease to accumulate and you will receive an invoice that sets out the total penalty outstanding. Payment of the full amount is due within **30 days** of the date of your notification.

If payment is not received within **30 days** after the date the notice of contravention was received, the amount will be subject to interest at the current postjudgment interest rate beginning on the 31st day following the date of notice. The current rate can be found at the following address:

www.attorneygeneral.jus.gov.on.ca/english/courts/interestrates.asp.

Review

If you believe that the decision made above is inaccurate you may request a review of this decision by submitting a **Request for a Review of a Notice of Contravention** form to the Minister of Training, Colleges and Universities within **15 days** of receipt of the Notice of Contravention.

Contravention of section 11 of the PCCA, 2005 - Restrictions on advertising and soliciting

An internet search conducted on July 26, 2010 revealed that Education Canada College is advertising itself as a private career college and advertising unapproved vocational programs on the website belonging to the institution:

<http://www.educationcanadacollege.com/index.htm>

The institution's website advertises the following vocational programs:

- TESOL (Teaching English to students of other languages)
- TEC (Teaching English to Children)
- TFSOL (Teaching French to students of other languages)
- EFE (Teaching French to Children)
- TSSOL (Teaching Spanish to students of other languages)

- TCSOL (Teaching Chinese to students of other languages)

The screenshot shows a Mozilla Firefox browser window displaying the website for Education Canada College. The address bar shows the URL <http://www.educationcanadacollege.com/College of Teachers.htm>. The website has a blue header with the college's name in a cursive font and a logo on the right. Below the header is a navigation menu with links: [Contact Us](#), [About US](#), [Branches, Agents & Affiliates](#), [Student Affairs](#), [Online Registration](#), and [Online Courses](#). The main content area is titled "COLLEGE OF TEACHERS" and lists several programs: TESOL (Teaching English), TEC (Teaching English to Children), TFSOL (DELFI) (Teaching French), EFE (Teaching French to Children), TSSOL - ESI (Teaching Spanish), TSC (EESN Spanish to Children), TAS (Teaching Academic Subjects), TASOL (Arabic), TRSOL (Russian), and TCSOL (Chinese). It also lists "Translation Studies - Writing Cert - International Communication - Bachelor of Education." Below this is a section for "Teachers Training Brochure" with a link: "Click Here to Download (Click to open. To save, right click & choose save)". The footer of the browser window shows the date "July 7, 2010".

The website also contains a course schedule and fees page which details the following vocational programs complete with cost and duration:
