Dear Employment Service service provider:

The Employment and Training Division (ETD) Open Data team has completed final revisions to the 2015-2016 Employment Service (ES) Financial Open Dataset referenced in [the May 12 memo posted on the Employment Ontario Partners' Gateway \(EOPG\)](#). This dataset, along with supporting documentation and a web app visualizing the financial data, will be posted on the public-facing Employment Ontario (EO) Geo Hub today.

The ETD Open Data team appreciates all of the feedback we received from you through the [EO Open Data Service Provider Portal](#). All suggestions for revisions/enhancements have been included in the final draft of the dataset and supporting documentation.

This dataset and documentation will also be posted shortly on the government-wide [Data Catalogue](#). You will be informed of the release of the dataset on the Data Catalogue through a post on the EO Open Data Service Provider Portal.

Please send your questions and comments to eo.analytics@ontario.ca or Wesley Ferris, research analyst, at wesley.ferris@ontario.ca.

Thank you for your continued support of our Open Data initiatives.

Sincerely,
